

Here are some of the teachers you will meet when you come to school

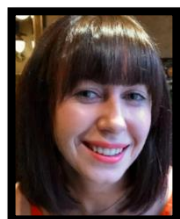

My name is Mr Hynes. I am the Headteacher of your new school. I can't wait to see you in Primary 1. I know you will have great fun with us!

My name is Mrs Whyte I am the depute head teacher. I am so looking forward to welcoming you into our school where I am sure you will make lots of new friends and learn lots of new things.

My name is Mr Kenny. I am the Principal Teacher. I am so excited to meet everyone and will be here to help you throughout your journey at Riverbank.

My name is Mrs Clark. I am the Principal teacher. I am looking forward to meeting you all and I am sure you will have lots of fun learning new things.

P1 TEACHERS

Hello everyone! We are all going to be teaching in P1 at Riverbank next year. Our names are Miss Porterfield, Miss Logan, Mrs MacMillan-Currie and Miss Tan.

I hope that you are looking forward to joining our Riverbank family in August. We can't wait to meet you!

We enjoy stories, playing games and spending time in our lovely outside areas, all whilst learning lots of new things every day!

I am sure you will have lots of fun, make many new friends and feel very welcome into our school community. You might even hear some stories about our Riverbank fox...

Have a fabulous summer and we will see you very soon!

Here are some photos of our beautiful school.

Can you spot the Riverbank Fox?

This is a photo of your classroom where you will learn lots of new things, make new friends and have lots of fun.

At Riverbank we love outdoor learning and we are so lucky to have this wonderful playground. I'm sure you will have lots of fun out here!

We are very lucky to have a fabulous gym hall and a huge assembly hall here at Riverbank.

Here at Riverbank Primary we have a very special friend, the Riverbank Fox. He is a very friendly fox, who normally stays in your classroom. He loves a cuddle.

Before the summer holidays you will get your very own Riverbank Fox to look after at home.

Please keep the little fox close to you over the summer and show them lots of love. When you come to school in August you can bring it to school every day and when you are at home it will remind you of your new school and all your friends.

Things I can do at home that will help me when I come to school!

Play games and learn to take your turn and realise that you will not always be the winner but you will have good fun playing!

Read a book with an adult or someone in your house who can help you. Talk about the pictures, point to the different things you can see and name them. You might even spot words that rhyme in the story!

If you are out for a walk think about your senses and talk about the things you can see, hear, smell and touch.

Keep counting!! You might want to count your steps or the number of cars you see or sing some counting songs. Make sure you have lots of fun whatever you do.

Lots of drawing and colouring will help you hold a pencil or crayon correctly and this will then help you with your writing.

Play "I Spy" This will help you think about words that begin with a particular sound and I'm sure it will be good fun.

Have Fun!!
