In Primary 1, we learn through play-based learning. The classroom and open area are set up to invite and encourage children to explore, create and work together. We have construction resources such as blocks, animals and magnetic tiles. There is a library space where books are rotated regularly so children can experience different authors and styles. During Term 1, fine motor activities are available to support pencil control and grip. Every second Wednesday we will be joined by Mrs S for music.

Health and Wellbeing

P1a have **PE** on a **Tuesday** (indoor with **Miss Welsh**) and a **Friday** (indoor with **Mr Kenny**)

In P.E. we will be focusing on moving safely in the hall and ball skills (throwing and catching)

Please ensure your child has their full P.E. kit, including footwear, on these days. Some of the sessions will be on the pitch. **All jewellery must be removed for PE lessons. Staff are not allowed to remove earrings so if your child cannot take these out then please take them out before coming to school.**

During Paths, we learn about our feelings and how to share and manage them in an appropriate way. We have our Path Pals - Twiggle, Henrietta, Daphne and Duke to guide us through it. Every child gets the chance to be Pupil of the Day where they receive compliments from their teachers and peers.

Outdoor learning

On a Friday, we will be going to our playground and/or community garden to explore, build with loose parts and create in our mud kitchen.

We have puddle suits for everyone, but we would ask that suitable footwear is brought in or worn on a Friday. Thank you!

- Please ensure that your child's name is on all their property.
- Dress sensibly for outdoor learning as we will be going outside in almost all conditions.
- Check Showbie for weekly information and your child's work.
