

P1B TERM 3 2026

Numeracy and Maths

Welcome to Numeracy in P1.

In Term 3, we will be looking at:

Numeracy:

- Numbers to 30 - counting and formation
- Number ordering, sequences and patterns
- Double numbers and number bonds to 10
- Addition strategies
- Skip counting - 2s, 5s and 10s.

Maths:

- Revision of 2D and 3D shape
- Time - daily routines, o'clock and half past

You can support this at home by:

- Please see Showbie for suggested tasks.
- Counting forwards and backwards regularly
- Giving your child numbers to write and count within 30
- Regular formation practice of all numbers to 30
- Using household objects to count (5 bits of pasta, 8 toys etc)

We look forward to seeing your home learning on Showbie.

If you need a paper copy, please contact the school office.

Literacy

Literacy

This term in Literacy we will be:

- Phonics - v, j, q(u), x, z, y and revising all other single letter sounds previously taught.
- Reading books - beginning to answer comprehension and true/false style questioning based on the text.
- 2 letter diagraphs - sh, th and ch
- Sentence writing - using a word bank and beginning to generate own ideas to create sentences. Continuing to focus on our Tools for writing strategies.

You can support this at home by:

- Please see Showbie for suggested tasks.
- Consistently practise the sounds shared on Showbie
- Continue to work on writing and recognising your name.
- Reading or listening to a story as often as you can.

Other Curricular Areas

In Primary 1, we learn through play-based learning. The classroom and open area are set up to invite and encourage children to explore, create and work together. We have a role play area set up as a hairdresser, and it will change and develop based on the children's ideas and interests. The water play area provides children with an engaging environment to explore sensory play, develop motor skills and build social connections. The construction area gives children a hands-on space to develop problem solving and motor skills. Every second Wednesday we will continue to be joined by Mrs S for music.

I.D.L (Topic)

- Katie Morag
- Dalmarnock

Health and Wellbeing

P1b have **PE** on a **Wednesday (indoor with Ms Stewart)** and a **Thursday (Outside with Miss Gamble)**

In P.E. we will be focusing on Scottish country dancing and ball skills.

Please ensure your child has their full P.E. kit, including footwear, on these days. Some of the sessions will be on the pitch. **All jewellery must be removed for PE lessons. Staff are not allowed to remove earrings so if your child cannot take these out then please take them out before coming to school.**

During Paths, we learn about our feelings and how to share and manage them in an appropriate way. We have our Path Pals - Twiggle, Henrietta, Daphne and Duke to guide us through it. Every child gets the chance to be Pupil of the Day where they receive compliments from their teachers and peers.

Outdoor learning

On a Friday, we will be going to our playground and/or community garden to explore, build with loose parts and create in our mud kitchen. We have puddle suits for everyone, but we would ask that suitable footwear is brought in or worn on a Friday.

Thank you!

- Please ensure that your child's name is on all their property.
- Dress sensibly for outdoor learning as we will be going outside in almost all conditions.
- Check Showbie for weekly information and your child's work.
- Follow us on X @RiverbankPri
