

P4/5 TERM 4 2026

Numeracy and Maths

In Term 4, we will be revising and expanding our knowledge of past topics

We will start the term finishing looking at measurement such as area, perimeter and volume.

We will be looking at decimals and relating these to past work on fractions and look at fractions of a number.

We will look at angles and how to measure them.

We will continue working on our skip counting weekly and working on our multiplication also, aiming to practice both everyday as a warmup to our lessons.

We are continuing to use money within our class economy and look at counting money also. exchanging and totalling our tables total income each week.

You can support this at home by:

- Please see Showbie for the weekly home learning sheet.
- Counting forwards and backwards and practicing multiplication.
- Discussing amounts and money when going to the shops.
- Topmarks has some great place value, adding and subtracting games.
 - <https://www.topmarks.co.uk/place-value/place-value-charts>
 - <https://www.topmarks.co.uk/maths-games/daily10>

We look forward to seeing your home learning on Showbie.

If you need a paper copy, please contact the school office.

Literacy

This term in **Literacy** we will be:

- Persuasive Writing
- Reading strategies
- Spelling words
- Grammar and tools for writing
- Listening and talking activities

You can support this at home by:

- Please see Showbie for the weekly home learning sheet
- Working on weekly spellings on Showbie - practice spellings in preparation for Monday spelling tests to check progress.
- Reading for pleasure at home, utilising our reading strategies and discussing what takes place in their books.

Other Curricular Areas

In IDL, we are going to be focusing on the commonwealth games and later the world cup. Within this topic we will cover literacy, numeracy, expressive arts, history and geography.

We will also be preparing for the school show this term.

We will continue looking at equalities and anti-racism education this term.

We will also be completing some of the RSHPE lessons appropriate to the age and stage

In science with Mrs Lovick, we will be looking at earth, the rock cycle and properties of substances.

Health and Wellbeing

P4/5 have **PE** on a **Thursday (outdoor)** and a **Tuesday (Indoor)**.

In outdoor PE we will be focusing on rounders, then later we will look at some athletics in anticipation of the fun day. In indoor PE we will be focusing on basketball.

We are trying to work on good sportsmanship this term and being kind to others in team games.

Please ensure your child has their full P.E. kit, including footwear, on these days. Some of the sessions will be on the pitch.

All jewellery must be removed for PE lessons. Staff are not allowed to remove earrings so if your child cannot take these out then please take them out before coming to school.

We use our daily emotions check-in to express our feelings throughout the day. We will continue to explore these through two **PATHS** lessons each week.

- Please ensure that your child's name is on all their property.
- Dress sensibly for outdoor learning as we will be going outside in almost all conditions.
- Check Showbie for weekly information and your child's work.
