

# P 6A TERM 1 2024 OVERVIEW

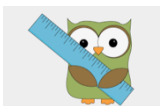

## Numeracy and Maths

In Term 1, we will continue to revise place value to ensure we are confident in addition and subtraction. We will also be looking at naming and identifying angles.

Some key phrases we will be using are:

- partitioning
- exchange
- algorithm
- acute, right, obtuse, straight and reflex angles

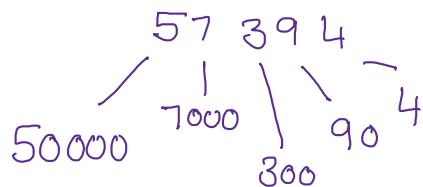

You can support this at home by:

- Access Sumdog through the app or online using the QR code. Your child had a login from their teacher and there are many activities appropriate to your child's level.
- Work on quick recall of times tables facts.
- Name and identify angles around the house and when out and about.

## Number Strategies

### Partition

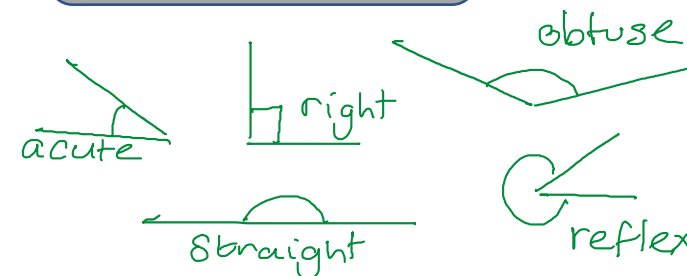

### Exchange

TTh Th H T O

$$\begin{array}{r} 5392 \\ + 1613 \\ \hline 7005 \end{array}$$

### Angles

## Literacy

This term in **Literacy** we will be exploring:

- Report
- Reading
- Reading for enjoyment
- Grammar and tools for writing
- Group discussions

You can support this at home by:

- Reading daily. Newspaper, magazine, comic, fiction or non-fiction book. After reading can they summarise what they have read thinking about the five finger retell.
- Practise talking and listening skills. You could time each other to see who can talk the longest about a subject.
- Watch Newsround or educational programmes such as those about animals and talk about what they have learned and what they might want to know about.

## Other Curricular Areas

In IDL, we are going to be exploring Scottish Inventor both those in the past and more current ones. This will include researching and learning about the significant advances in medicine and technology.

In Science we will be focussing on learning about the solar system including the planets, their size and properties. We will also explore the sense of scale in our solar system and how man-made satellites are helping in a deeper understanding of the solar system and beyond.

In Drama we will be working with WOSDEC to create storylines of issues that the children are interested in related to their local community. This will run in term 3 also.

In French children will be learning vocabulary to support daily tasks such as the date, weather and greetings.

## Health and Wellbeing

**P6a** have **PE** on a **Monday** and a **Friday**. We will try to take as many sessions outdoors as we can.

In P.E. we will be focussing on our fitness levels and invasion games.

Please ensure your child has their full P.E. kit, including footwear, on these days. Some of the sessions will be on the pitch. **All jewellery must be removed for PE lessons. Staff are not allowed to remove earrings so if your child cannot take these out then please take them out before coming to school.**

We use our daily emotions check-in to express our feelings throughout the day. We will continue to explore these through two **PATHS** lessons each week. Our **PATHS** lessons this term will focus on **getting started (explore the value of PAtHs and feelings) and problem solving.**

In our RSHP (Relationships, Sexual Health and Parenthood) lessons we are looking at friendships online and offline, what is love and stereotypes, equality and being fair.

- Please ensure that your child's name is on all their property.
- Dress sensibly for outdoor learning as we will be going outside in almost all conditions.
- Check Showbie for weekly information and your child's work.
- Follow us on X @RiverbankPri
